

# What do you hear on our listening walk?

What do you hear  
with your ears?

Birds? Cars? People? Wind?

What do  
you hear  
with your  
heart?

Happy places?  
Sad places?  
Scary places? Silly places?  
Do you feel like somewhere  
inside maybe God is talking  
to you as you walk?

What  
do you see  
with your eyes?

Trees?  
Buildings?  
Garbage?  
Chairs? People?  
Mountains?

What do you  
smell with  
your nose?

Flowers? Food?  
Garbage? Cars?

We're going on a special kind of  
walk today where we listen.

We listen to the neighborhood and to God.  
What are you hearing as you listen and walk?  
Be sure to share with grownups who love you!
